# OBIETTIVI

**Conoscenza dei filati**

**Abbinamenti dei colori**

**Effetti speciali**

A colorful cross-stitch sampler featuring various patterns and colors. The top section is white with brown stitching forming a series of horizontal lines. Below this are several horizontal bands of different colors: pink, yellow, green, orange, purple, and blue. Each band contains a different cross-stitch pattern, including a central orange patch with a woven texture. The background is a fine grid of small, repeating patterns in various colors.
